About Us

Universal Islamic Meat is a leading food manufacturing and distribution company located in Jebel Ali Free Zone in Dubai, U.A.E. We manufacture processed Meat and Poultry products with more than 25 years of expertise in this industry. Our products range from raw processed poultry and meat products to cooked processed poultry and meat products with over 500 varieties of items in different mouthwatering flavors and packed in high quality packaging taking care to ensure that our customers are satisfied to the core.

Our company follows a strong Food Safety Management system developed with the necessary competence and authority to provide assurance and compliance with the statutory Food Safety Legislation and mandated Dubai Municipality requirements throughout the food manufacturing process. We are certified for competency, authority and credibility through the certification of HACCP, FSSC22000 and ISO 9001:2015 standards.

Being one of the primary food companies to have been awarded the Halal certificate from ESMA, we are keen to take care of the ethical and health issues of the meat and its products while ensuring HALAL and hygienic integrated meat value chain through a compliance regime right from the purchase of raw materials to the customers.

Quality Comes First!

Our management approach is centered on Quality, which is the fabric of our organization. Quality is not our act, but our habit. It is a result of high intention, sincere effort, intelligent direction and skillful execution. We believe that, as a business, we have the responsibility to our customers and to the community in which we have a presence.

Our reach

Today, Universal Islamic Meat has markets across various parts of the GCC and the Middle East. We have developed a set of marketing principles to ensure we are always honest, decent and truthful in our communication and service to our customers. Over the last 25 years of excellent service and production, we have expanded and reinforced our reach by providing a broad spectrum of good quality items customizing to the varied needs of our customers.
